

Conforma Reduce

The active ingredient Deoxycholic Acid aids in the destruction of fat cells, resulting in a noticeable reduction of unwanted fat without surgery or painful injection. Hyaluronic Acid hydrates and lifts the skin for immediate smoothing of fine lines and wrinkles. Suitable for all skin types.

Use: After washing face, apply to desired areas twice daily.

Ingredients: Water, Butylene Glycol, Hydrogenated Rice Bran Oil, Propanediol, Caprylic/Capric Triglyceride, Pentylene Glycol, 1,2-Hexanediol, Xanthan Gum, Dimethicone, Sodium deoxycholate, Polysorbate, Sorbitan Isostearate, Hydrogenated Lecithin, Polysorbate, Panthemo, Sodium Stearoyl Glutamate, Adenosine, Sodium Hyaluronate, Carbomer, Hydroxyethyl Acrylate/Sodium Acryloyldimethyl Taurate Copolymer

Caution: Discontinue use and consult with your doctor if any swelling or itching develops in area of use. Do not use on inflamed or broken skin. Keep out of reach of Children. Store away from direct sunlight.
